TANDA Workforce Success Software

What is it?

Tanda is an industry-agnostic workforce success software, which allows you to build perfect rosters, track attendance, and pay staff accurately for your business.

TANDA

FEATURES

- Automate timesheets and wage calculations with Tanda's Employee Time Clock and award interpretation.
- Export costed timesheets in one click for seamless payroll
- Automatically record and export leaves from Tanda to payroll every payday.
- Avoid costly overtime and penalties by seeing the award-interpreted cost of your roster as you build it.
- Interpret complex awards:
- Bank statement and line item extraction can save you even more time.
- Fetch to pull items from popular suppliers directly.
- Paperless onboarding: Onboard new staff in seconds with paperless onboarding that handles tax declarations and super choice.
- Live Wage Tracker™: Track wages in real time from anywhere so you stay in control of wage costs and drive profitability throughout the day
- Services businesses both big and small, whether your staff has 10 people or 30,000 plus.
- Assist businesses with one or multi-store establishments, companies in the frontline and shift work industries.
