The Swiss Expat & Migrant Tax Team in RSM Australia

The RSM Australia office in Rockingham specifically works in business advisory and tax. Whilst the team represents RSM Australia in the Peel & Rockingham-Kwinana (PaRK) region, borders are no boundary, and they help clients around Australia and the world. This is no more apparent than with their specialist knowledge in Australian taxation considerations for Swiss pensions.

Tom, a Partner of RSM Australia who heads up the PaRK team, was born in Thal, St. Gallen and moved to Australia with his family as a child. He has been with RSM Australia since 2000 and has had a large variety of experiences within regional and metropolitan offices. This has left him with a genuine care for people and a strong passion in providing personable and understandable advice.

Tom holds a voluntary Director role on the SwissCham Australia board. Through this, and other Swiss networks, Tom and his team assist Swiss people who are looking to

move to, or are already living in, Australia and have Swiss pension tax planning needs in Australia. Tom's latest thought piece explores Swiss pensions and Australian tax, alongside RSM Switzerland's insights on Swiss tax matters.
